## The QuietComfort™ VS 95: Quiet, Flexible And Highly Efficient

Heil® Heating & Cooling Products brings you the latest in high-efficiency furnaces with technician-friendly features that make your job easier than ever.

- 4-position installation for flexibility
- Standardized key components for easy servicing
- Stainless steel RPJ® III weld-free heat exchanger for durability
- Long-lasting silicon nitride igniters

Meets California low NOx emissions standards.

Many models of Heil® gas furnaces are ENERGY STAR® qualified. For details, visit [www.energystar.gov](http://www.energystar.gov).

Timely registration required for 10 year parts limited warranty and lifetime heat exchanger limited warranty. Limited warranty period is 5 years for parts and 20 years for heat exchanger if not registered within 90 days of installation. Jurisdictions where warranty benefits cannot be conditioned on registration will receive the registered limited warranty periods. Please see warranty certificate for further details and restrictions.
